

Address: 200 Oak Crescent, Bolsover, S44 9JK

Dear Environmental Officer,

I am writing to propose the launch of a comprehensive recycling campaign in our community. With environmental challenges mounting, a dedicated recycling initiative that includes public education and improved facilities is crucial.

I kindly request that the Bolsover District Council consider initiating a pilot recycling project to evaluate its impact and refine its approach.

Your support in fostering a sustainable environment is greatly appreciated.

Yours faithfully,

An Environmentally Conscious Resident
