

Address: 220 Birch Crescent, Bolsover, S44 4RS

Dear Community Education Coordinator,

I am writing to advocate for the introduction of a series of skill development workshops designed to empower local residents. Workshops focusing on digital literacy, vocational training, and entrepreneurship would help improve employment prospects and stimulate economic growth.

I kindly request that the Bolsover District Council consider launching a pilot programme in collaboration with local businesses and educational institutions.

Thank you for your consideration. I look forward to your favourable response.

Yours faithfully,

A Motivated Community Member
