Dear Council Officer,

I am writing to express my concern over the lack of adequate street lighting along Main Road. The insufficient illumination during the evening has created safety hazards and contributed to a rise in anti-social incidents. Residents have voiced their fears, especially when walking home in the dark.

I kindly request that the Bolsover District Council prioritise the installation of additional street lamps and ensure regular maintenance of existing lights. Enhanced lighting would provide a greater sense of security and improve the overall quality of life.

I appreciate your attention to this matter and anticipate a detailed response outlining the proposed improvements.

Yours sincerely,

A Concerned Citizen
