

Address: 225 Willow Crescent, Bolsover, S44 5TU

Dear Environmental Officer,

I am writing to propose the initiation of a comprehensive recycling campaign within our community. With escalating environmental challenges, a concerted effort to promote recycling through public education, enhanced facilities, and community engagement is essential.

I respectfully request that the Bolsover District Council consider launching a pilot recycling programme to assess its effectiveness and potential impact on reducing waste.

Your support in this initiative will help foster a culture of sustainability.

Yours sincerely,

An Environmentally Conscious Resident
