

Address: 100 Hawthorn Avenue, Bolsover, S44 7VW

Dear Environmental Coordinator,

I am writing to propose the launch of a comprehensive recycling campaign within our community. With environmental concerns growing daily, a dedicated initiative to promote recycling could significantly reduce waste and support sustainable living practices. The campaign might include public education, improved recycling facilities, and community collection events.

I respectfully request that the Bolsover District Council consider initiating a pilot recycling project to assess its impact and gather resident feedback.

Your support in this matter would help foster a greener, more sustainable future for our community.

Yours faithfully,

An Environmentally Conscious Resident
