

Address: 125 Beech Avenue, Bolsover, S44 3FG

Dear Environmental Officer,

I am writing to propose a structured recycling campaign in our community. A dedicated effort that includes public education, the installation of additional recycling facilities, and community events can significantly reduce waste and promote sustainable practices.

I respectfully request that the Bolsover District Council consider launching a pilot recycling programme to evaluate its effectiveness before a wider rollout.

Your support in this matter is essential for a cleaner and greener future.

Yours faithfully,

A Concerned Citizen
