Dear Council Member,

I am writing to express concern about the deteriorating condition of local roads once more. Despite previous repairs, several key routes have returned to a state of disrepair, with potholes emerging at an alarming rate. The recent inclement weather has only worsened the situation, making travel increasingly dangerous.

I respectfully request that the Bolsover District Council re-assess the road conditions and introduce a sustainable, long-term maintenance programme. A proactive approach will prevent further hazards and ensure that our transportation network remains safe and efficient.

I appreciate your consideration of this pressing matter and eagerly await your response outlining the proposed remedial measures.

Yours faithfully,

A Concerned Resident
