

Address: 105 Linden Lane, Bolsover, S44 8XY

Dear Community Development Officer,

I am writing to propose the creation of a community garden project in our neighbourhood. A designated green space where residents can grow their own produce and learn about organic gardening would greatly enhance community cohesion and wellbeing. This garden could also serve as a venue for sustainability workshops and local events.

I kindly request that the Bolsover District Council allocate a suitable plot of land for a pilot community garden initiative. I am confident that this project will foster community spirit and improve local environmental quality.

Thank you for your attention. I look forward to your favourable response.

Yours faithfully,

A Passionate Local Resident
